

A Sea Captain's Kiosk Pledge

*Though fierce gales
and fist sized hales
This promise I make to thee:*

*Should the need arise in court or outside
To connect digitally
A Sea Captain swears
On all his beard hairs
That a kiosk will be available and free*

*For hearings or filings
In calm seas or squalls
At a community center or the courthouse halls*

*With friendly assistance
and cleaned with persistence
A Sea Captain pledges a kiosk that will go the distance*
